NariYukthi Tech Hack – 2025

Round 2

Additional Guidelines

1. Objectives and Scope

- Clearly define the problem your idea addresses.
- State your objectives concisely.
- Highlight the scope of your proposal and how it contributes to solving the identified problem.

2. Innovation and Creativity

- Explain what makes your idea unique and innovative.
- Showcase any creative approaches or novel concepts you have incorporated.

3. Feasibility and Scalability

- Discuss the practicality of implementing your idea.
- Highlight its scalability and potential for future growth or wider adoption.

4. Depth of Coverage/Understanding

- Demonstrate a strong understanding of the problem domain.
- Provide insights into research or analysis conducted to develop your proposal.

5. Execution – Completeness of Functionality

- Outline your plan for execution.
- Emphasize any working prototypes, models, or proofs of concept, if applicable.

6. Societal Impact

- Describe the potential impact of your idea on society.
- Highlight how it aligns with societal needs or contributes to the greater good.

Scoring Scheme

Criteria	Description	Score Range
Objectives and Scope	Clarity and relevance of the problem statement, objectives, and the scope of the proposal.	5
Innovation and Creativity	Originality, uniqueness, and creativity of the idea or approach	10
Feasibility and Scalability	Practicality of implementation and the potential to scale the solution for broader use.	10
Depth of Coverage/Understanding	Evidence of research, understanding of the problem domain, and detailed insights into the proposal.	10
Execution - Completeness of Functionality	Development of a prototype, model, or proof of concept and its alignment with the objectives.	10
Societal Impact	Potential contribution to society, alignment with societal needs, and overall significance.	5

Score Range	Remark	Description
10/10 or 5/5	Exceptional	Exceeds expectations with detailed, well-articulated, and impactful content
7-9/10 or 4/5	Good	Meets expectations but may lack depth in some aspects.
4-6/10 or 3/5	Average	Partial understanding or incomplete presentation of the criteria.
0-3/10 or 0-1/5	Needs Improvement	Does not adequately ad
